RE: WhaleSoft Inc.

To Whom It May Concern:

We would like to take this opportunity to acknowledge WhaleSoft Inc. for exceeding our expectations in the development of current corporate web-site

When ThermoGroup BG initially approached WhaleSoft Inc. to create our web-site. We were not familiar with all of the details involved in such a task. WhaleSoft Inc. was able to share ideas and suggestions to help extract the exact information necessary to create what we felt to be a professional web-site at a reasonable price.

We would like to especially thank Mr. Artem Muradian for the attitude that he portrayed in working with our staff to assure our complete satisfaction. We have established a wonderful working relationship with Mr. Heorhii Tyslenko and look forward to continuing our business relationship with him and WhaleSoft Inc. in the future.

ThermoGroup BG would highly recommend WhaleSoft Inc. to other organizations wanting to quality solution for yours business.

Thank you again WhaleSoft Inc., we are extremely pleased with our web-site.

Sincerely,
Belimenko Sergii
